

A photograph of a scout camp activity. Several children in blue and red scout uniforms are building a large, triangular structure made of logs and sticks, resembling a raft tower. An adult scout leader is assisting them. The scene is set in a grassy area next to a brick building with a red tiled roof. The entire image is framed by a decorative border made of sticks and leaves.

Velkommen til ***SPEJDER.MØDE***

tirsdag den 26.8.2025 - kl. 18.30 – 20.00

Vi glæder os til at have dig med i vore Spejder aktiviteter, hvor du kan se hvad vi Spejdere laver. Kom og vær med.

Spejder hilsen
