

A photograph of a small, dark log cabin with a gabled roof and a chimney, situated in a forest. The cabin is built from dark logs and has a small window. The roof is covered with some dry leaves. The background shows many trees with green foliage. The entire image is framed by a decorative orange border with yellow and black striped corner pieces.

Velkommen til *SPEJDER.MØDE*
tirsdag den 2.9.2025 - kl. 18.30 – 20.00
